

# 2026 Crystal Falls Masters Calcutta

**CRYSTAL FALLS**

**WEEKEND MGA**

# Calcutta Rules

1. **Players –**
  - a. Field and Odds are posted from Vegas (Draft Kings) as of Friday a week before the start of the Masters.
  - b. For any player in the field that is “scratched” before the start of the tournament, that player’s winning bid will be refunded from the pot.
  - c. If any player tees off Thursday and “WD’s, DNF, etc.”, there are no refunds, and you just lost a player.
  - d. If you purchase a pool of players and one player is “scratched” before the start of the tournament you do not get a refund you just have a pool with one less player.
2. **Playoff –** If there is a playoff, the loser will be 2<sup>nd</sup> in the event. If it’s a multiplayer playoff, consecutive places will be combined. (i.e., 3-way playoff splits 2<sup>nd</sup> & 3<sup>rd</sup> money, etc.)
3. **Bidding –** Teams can’t exceed 5 partners, and available cash is capped at \$2,000 total per team. If bidding as an individual, the \$2,000 max limit still exists.
  - a. Cash payment is due at the time of the winning bid.
  - b. The starting bid will be \$20 and move up from there. Remember, we want to have fun and not get crazy.
  - c. If bidding in a group/pooling \$’s, please select 1 person who speaks/bids for that group.
4. **Payouts –**
  - a. Once the tournament is completed, we will share final standings.
  - b. We will be organizing payouts once the tourney results are final. It may take a few days, so don’t call me on Sunday evening and ask where your money is. Be forewarned that if you do, your payout might just get donated to Forsyth Humane Society anonymously
  - c. For those in teams, Payout will be to the group leader for them to distribute, so you need to chase them down.

**Use your auction paddles  
so, Rusty knows who is  
bidding!**
